Litter Costs	Litter Bags	Miles of Litter Cleaned
\$93,978.51	3,544	1062

Educational Activity:

COLLECTION: Advertisements on area radio stations, advertisements on area television, advertising in both local newspapers and on the City's web site encouraging area residents to enroll in the garbage collection system. Haulers are encouraged to utilize local media to promote participation.

DISPOSAL: Internet web pages and newspaper advertisements with information regarding disposal, including the landfill location, operating hours, rates, and contact information. Field trips to the landfill by area business groups and school children of various ages.

RECYCLING/REDUCTION: Advertisements in local newspapers, radio stations and television stations promoting recycling, including information about items to recycle, collection times and drop-off schedule. Drop-off points are located at area schools to help educate our children. Field trips to the City's recycling warehouse by local business groups and school children of various ages.

ANTI-LITTERING: Advertisements in the local media concerning cleanup campaigns and reporting illegal dumping.

Special Events:

Commonwealth Cleanup Week
Glasgow Christmas Tree Collection
Glasgow Fall Curbside Leaf Collection
Trashmaster Classic

COLLECTION: Environmental education including solid waste collection and related topics taught at the following: Bluegrass Technical College, Center College, Boyle County High School, Boyle County Middle School, Woodlawn Elementary, Junction City Elementary, Jennie Rodgers Elementary, Kentucky School for the Deaf, Danville High School, Toliver Elementary, and Hogsett Elementary

DISPOSAL: Environmental education including landfills and disposal related topics taught at the above-mentioned schools.

RECYCLING /REDUCTION: Students toured the Recycling Center in 2006. Environmental education including RRR (Recycle, Reduce, and Reuse) topics taught at the above-mentioned schools. Conducted E-Scrap Recycling Workshop

ANTI-DUMPING: Distribution points for the Clean Community and Solid Waste Management Literature are: Clean Community Commission Office, Danville City Hall, Boyle County Courthouse, recycling center, Community Greeting Center, Danville Public Library, Boyle County Recreation Department, and the Health Department.

ANTI-LITTERING: Several newspaper articles highlighting the success of litter cleanups and how to prevent the litter problem. Educational Advertising for Litter Abatement in newspaper, radio, cable, pencils, pens, and posters.

ENFORCEMENT: Newspaper and Radio PSAs stating the punishment for illegal dumping and littering.

SITING: None Reported.

BOYLE COUNTY SOLID WASTE AND RECYCLING CENTER:

- April – Bluegrass Technical College, 10 students, 1 adult
- April – Center College, sponsor on earth Day Program on campus
- May – E-Scrap Workshop, 70
- June – Educational Advertising on Litter and Waste on our Water Ways, T-Shirts, Coffey's Cove Marina
- December – Cub Scout Troop 217, 9 students, 6 adults
- Educational Advertising for Litter Abatement in Newspaper, Radio, Cable, Pencils, Pens, and Posters.
- Educational Advertising for Paint Disposal, Christmas Tree Disposal, In Newspaper, Radio, Cable, and Posters.
- Educational Advertising on E-Scrap and other Household Hazardous Waste, Newspaper, Radio, Cable, and Posters
- Educational Advertising on Open Burning, Flyers, and Posters.
- Educational Advertising on Recycling Voucher Program, Newspaper, Radio, Cable, and Flyers.
- Educational Advertising on Recycling at all Festivals and Fairs in Boyle County Including Danville, Junction, Perryville, and Forkland.
- New Residents Welcome Wagon Litterbag filled with Recycling and Solid Waste Education, Paint Hardener Crystals, and other Environmentally friendly Material.
- Brochures located at all Government Buildings
- Education the Ag. Extension Office dealing with Open Dumps, Fence Wire, and Tires.
- Educational Advertising on Meth Labs, Newspaper, Posters, and Flyers.

Educational Activity:

COLLECTION: Several news articles encouraging participation in door to door collection.

DISPOSAL: Several news articles discussing proper disposal and offering appropriate disposal options.

RECYCLING/REDUCTION: Recycling drop off trailer locations and location of a new trailer advertised six times yearly. The accepted and unacceptable recycle items discussed in news multiple times. "Trash Talk" articles run often discussing recycling, drop off location for metal, and materials accepted at recycling trailers. "Recycle, Reuse, and Reduce to Keep God's Earth Clean, Green, and Beautiful" article run weekly. Have included the "Freecycle" web page within article encouraging use of this website. Freecycle has now established a chapter in Bracken County. Visited three third grade classes teaching recycling and giving out denim pencils to encourage interest in recycling.

ANTI-LITTERING: Visited three third grade classes to discuss littering as "Ms Pickup Litterbug". Gave all students a coloring book with a anti-littering theme. Litter groups provided a tee shirt with a anti-litter message. Weekly "trash talk" article often discusses this issue.

ANTI-DUMPING: "Trash Talk" article frequently discusses this issue, No dumping signs placed at cleaned areas.

ENFORCEMENT: Readers of weekly news article encouraged to report dumpers and litter bugs. Several letters from county attorney to violators.

SITING: None Reported.

Educational Activity:

COLLECTION: The SWC provided the phone number to Waste Management and also informed the citizens of the county that collection is mandatory in Breathitt County several times a year via radio interviews.

DISPOSAL: The SWC has written several newspaper articles and had several spots on the local radio station telling citizens that they must be subscribed to mandatory garbage service and that any bulky items not picked up by the garbage truck must be brought to the transfer station for legal disposal. We also heavily advertise our PRIDE Spring and Fall cleanups where citizens can dispose of household trash and bulky items twice a year for free.

RECYCLING/REDUCTION: PRIDE funds a teacher to visit the different schools in the county and talk to students about recycling and reduction. The teacher brings recyclables to school and the kids make various crafts from them.

ANTI-LITTERING: The SWC frequently writes about littering in his newspaper articles. He also mentions littering problems several times a year on the radio. A couple of times per year, the SWC participates in a 30 minute talk show on the local radio station called "To the Point" where he takes 30 minutes to tell the public what is going on with various solid waste issues in Breathitt County.

ANTI-DUMPING: The SWC frequently writes about dumping in the newspaper. He also talks about illegal dumping several times a year on the radio. When searching for names in a dump, the SWC waits until a car drives past, then holds a piece of paper up so that the passing car can see him looking for names. Sometimes the paper doesn't have a name, but the passing car doesn't know this.

ENFORCEMENT: The SWC makes regular visits to households not signed up on the garbage service. He issues a written notice of violation to these households. He has also started making sure that anytime a criminal summons is issued that it is listed in the newspaper.

SITING: No activity on siting was performed during 2006.

COLLECTION: In the fall, the City of Hopkinsville Sanitation Department ceases the collection of bulky trash items such as white goods and furniture in order to convert all of its trucks for the leaf and limb pickup season. The mayor held a press conference, which was covered by all the local media (TV, radio, and print) to notify all citizens in advance that the City would cease Trash pickup on November 1st and would not resume until January 2, 2007.

DISPOSAL: None reported.

RECYCLING/REDUCTION: In the fall of 2006, the Solid Waste Coordinator created a recycling education program for elementary school-age children. The recycling program teaches the benefits of recycling, the cost of not recycling, and the process of recycling certain items. The program touches on the recyclable of aluminum, non-ferrous metals, oil paint, plastic, paper, yard waste, electronics, and glass. The recycling education program was presented for the first time to students of the Christian County School System in 2006.

ANTI-LITTERING: In 2006, the solid Waste Coordinator created a Litter Awareness education program for elementary school-age children. The program teaches the cost of litter as well as the environmental effects of litter. The program touches on the items that frequently become litter and how to react to litter bugs. The education program on litter was presented for the first time to students of the Christian County School System in 2006.

Educational Activity:

COLLECTION: The collection of materials that are included for recycling and/or for disposal are included during discussions and presentations regarding solid waste and are often noted in newspaper articles.

DISPOSAL: Proper disposal of solid waste is routinely included in all solid waste coordinator presentations. Presentations were conducted at summer camp at College Park and at the following elementary schools: Fannie Bush, Trapp, Providence and Shearer during 2006. Newspaper articles stress the importance and facts regarding solid waste disposal.

RECYCLING/REDUCTION: Presentations including a demonstration on waste reduction through recycling were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools. Solid waste coordinator presentations include information on recycling. All schools in Clark County participate in the telephone boc recycling contest in February. The winner of the contest received a cash prize. 210 students attended the 4-H Environmental Camp in September. The Future Farmers of America (FFA) assisted in the Spring and the Fall Steel/White Goods Recycling Events. Several school groups have visited these events to learn first hand about recycling. Homemakers collect and recycle pop can tabs to benefit the Children's Miracle Network. Two Rinse and Return farm chemical container collection events are offered to the agriculture community.

ANTI LITTERING: Litter is a topic that is routinely included in presentations conducted by the solid waste coordinator. Presentations were conducted at Fannie

Bush, Trapp, Providence and Shearer elementary schools in 2006. Numerous articles in the local newspaper cover litter prevention. Several schools, Boy and Girl Scout Troops, civic groups, and church youth groups school participated during the community litter cleanup and learned first hand about the problems associated with litter. " Please Don't Litter" an educational music video was produced by the Clark County solid waste coordinator Gary Epperson and friends in 2006

ANTI DUMPING: Illegal dumping is a topic that is routinely included in presentations conducted by the solid waste coordinator. Presentations were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools in 2006. Numerous articles in the local newspaper cover illegal dumping. Local schools participated in community dump cleanups and learned first hand about the problems associated with illegal dumping. Boy and girl scout troops, civic groups and church youth groups participate during the community litter cleanup and learned first hand about the problems associated with litter.

ENFORCEMENT: When violations occur and are investigated, the responsible parties become educated about laws and regulations regarding solid waste disposal. During presentations the consequences of illegal activities are discussed.

SITING: None Reported.

COLLECTION: Extension service, homemakers clubs, 4H clubs, Edmonson County Fiscal Court members monitor roads in each district and the county road dep picks up roadsides. County participates in Litter Abatement Program and utilizes jail inmates for litter pick-up.

DISPOSAL: None reported.

RECYCLING/REDUCTION: County supports Edmonson Solid Waste operated by Mark and Gayle Johnson, which accepts discarded appliances and Thompson's Tire Disposal, which accepts used tires.

ANTI-LITTERING: County has become more aggressive in dealing with littering by working closely with Department of Fish and Wildlife and Kentucky Department of Environmental Protection to prosecute offenders.

ANTI-DUMPING: County has used inmates to cleanup small areas by roadway, by posting No Dumping signs in areas with past history of dumping. Working with land owners to restrict access to areas with history of dumping.

ENFORCEMENT: Work with county Sheriff Department, Department of Fish and Wildlife and Kentucky Department of Environmental Protection to identify offenders and prosecute through local court systems.

SITING: None reported.

COLLECTION: The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.

Solid Waste personnel hosted a recurring government television show "At Your Service" addressing collection, recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

The Division of Solid Waste ran a commercial campaign on proper setout procedures on collection.

The Division of Solid Waste hosted a booth at the Home & Garden show held at Heritage Hall. Information was given out on proper collection procedures; yard waste collection, home composting, enforcement issues, disposal options and the Rosie recycling program.

The Office of Public Information sent out several press releases on holiday collection schedules.

Public Works sent out solid waste guides in English and Spanish on Recycling, Yard Waste, Garbage Collection, Call-In Collection and other disposal/recycling options.

The Division of Solid Waste personnel maintains a comprehensive website that provides information on all Solid Waste services.

http://www.lfucg.com/pubworks/solid_waste/index.asp

DISPOSAL: The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper setout procedures for waste yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.

Solid Waste personnel hosted a recurring government television show "At Your Service" addressing collection, recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

During an "At Your Service" UK student Will Tucker highlighted the devastating effects of illegal dumping and litter in streams through an art project made of litter imitating the flow of a stream.

"At Your Service" segments were also devoted to the proper disposal of Household Hazardous Waste, the Spring Clean, the Great American Cleanup, disposal issues relating to storm water, and disposal issues relating to sanitary sewers.

The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services.

http://www.lfucg.com/pubworks/solid_waste/index.asp

The Division of Solid Waste provided a solid waste information booth at Fox Fest The booth provided information on recycling, proper disposal, composting, collection procedures and enforcement.

RECYCLING/REDUCTION: The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.

Recycling presentations were given at the following locations:

Lecture at U.K. Community Public Health Class

Recycling Center Tours:

LFUCG Citizens Academy Group hosted at the Recycling Center

Senior Interns Group hosted at the Recycling Center

UK Student tour of Recycling Center

Cub Scout Group

Cub Scout tour of Recycling Center

The Lexington School toured at the Recycling Center

Nicholasville Elementary tour of the Recycling Center

Saint Catherine College toured the Recycling Center

Spencerian College toured the Recycling Center

Barren Fiscal Court toured the Recycling Center

Champion Polymers staff toured the Recycling Center

A variety of press releases were issued on special collection programs, pickup schedules and illegal dump cleanups.

Solid Waste personnel hosted a recurring government television show "At Your Service" addressing collection, recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services.

Solid Waste sponsored a booth at the Lexington Home and Garden Show with a focus on yard waste management and home composting.

The Division of Solid Waste provided a solid waste information booth at Fox Fest and at the Roots and Heritage Festival. The booth provided information on recycling, composting, collection procedures and enforcement.

Public Works sent out solid waste guides in English and Spanish on Recycling, Yard Waste, Garbage Collection, Call-In Collection and other disposal/recycling options.

A series of radio and TV commercials were produced and aired on local stations.

ANTI LITTERING: Public Works staff spoke on several radio and TV programs about special cleanup events such as Kentucky River Clean Sweep, Great America Cleanup and the Spring Clean.

A press conference for Lexington's Litter Buster campaign was held at 10:00 a.m. on Thursday, April 6th in the lobby of the Government Center located at 200 East Main St.

Litter is a problem that costs Lexington thousands of dollars each year through cleanup costs and lost economic development and tourism. The Litter Buster campaign is aimed at cleaning up and preventing litter through action, outreach and enforcement.

LFUCG announced the following:

☐ The Cig Sucker, a vacuum that collects small litter (like cigarette butts) from curbsides and other hard to clean places. The Cig Sucker is new to the LFUCG arsenal against litter. It was put in use the first of March and has done an amazing job cleaning up the cigarette butts littering the sides of the roads.

☐ The Lexington Litter Buster Crew (LLB Crew) will clean littered areas of Lexington. The crew routinely cleans downtown and high litter areas as well as responding to citizen complaints.

☐ The LFUCG will be placing 35 ash cans in the downtown area to reduce cigarette litter.

☐ The LFUCG will establish the Lexington Litter Buster Businesses, a program that will encourage businesses to pledge to keep their property litter free.

☐ The Litter Buster campaign will also work to establish more community cleanup efforts designed for citizen participation.

ANTI DUMPING: The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.

During an "At Your Service" UK student Will Tucker highlighted the devastating effects of illegal dumping and litter in streams through an art project made of litter imitating the flow of a stream.

Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

Educational Activity:

COLLECTION: New 5 year contracts were bid and awarded for residential and commercial collection. This effort resulted in numerous newspaper articles, advertisements and public hearings.

DISPOSAL: Information concerning disposal was an integral part of the new contracts. At solid waste related events brochures were given out with information on the recycling and convenience centers as an alternative to disposal.

RECYCLING/REDUCTION: Two new programs were introduced in the county this year. One is a monthly recycling and educational event held at the fair grounds to involve residents in the northern part of the county. Children who brought in recyclables earned earth dollars that could be spent for recycling literature at a booth manned by volunteers from Earth Angels. TEACH, Earth Angels, and Habitat for Humanity published articles in the newspaper promoting recycling events.

Special Events:

GARRARD
Continued

SW Coordinator Bill Hack

Full-time

This effort resulted in a marked increase in recycling in the northern part of the county. TEACH. The Boy Scouts received a grant from Coca Cola to promote recycling in the schools. Recycling clubs were organized in each school to collect material and place it in an area for weekly pick up. These two programs along with changes in the collection procedure resulted in a 50,000 lb. increase in recyclables collected.

ANTI LITTERING: A stop litter campaign was started with the Sheriff's Dept. handling complaints. "No littering" signs were placed on state highways coming into the Garrard county.

ANTI DUMPING: "No Dumping" signs were placed at cleaned dumpsites. Recurring dumpsites were made inaccessible by Road Dept. barricades. Dumpsites were cleaned by persons receiving warning letters.

ENFORCEMENT: The county solid waste ordinance clearly defines illegal dumping and sets penalties for violators. Warning letters were sent out and summonses were issued for illegal dumps and junk accumulations. These actions resulted in weekly letters to the editor, packed monthly meetings of fiscal court and drew significant attendance at the monthly solid waste meetings. All of these activities were well reported in the local newspaper.

SITING: Since a siting ordinance was enacted in 2005, public hearings and meetings have received newspaper coverage by Lancaster and Danville.

Educational Activity:

COLLECTION: The Solid Waste Management District uses brochures, newspaper articles, and presentation to groups such as Kiwanis, Homemakers, Chamber of Commerce, 109 Board meetings and school presentation to educate the public on the mandatory collection ordinance. Maintain a website and make direct visits to educate concerning the mandatory collection ordinance.

DISPOSAL: Free disposal at landfill for those in compliance with mandatory collection ordinance is noted in newspaper articles, brochures, and stated during presentations.

RECYCLING/REDUCTION: Recycling discussed during civic group presentations and encouraged in news articles and on the web page. Community service folks can recycle with proceeds going to local food banks as a way to complete their time.

ANTI-LITTERING: Litter collection program involves the youth of the county and a letter to editor is required of each participating group. Litter bags, coloring books, brochures, and police enforcement is also used as a way to educate folks to not litter.

Educational Activity:

COLLECTION: Hart Co. Solid Waste communicated with the public through the newspaper, radio, and reminders on their bills. Reminders of changes and services were explained in the local newspaper.

DISPOSAL: Hart Co. Solid Waste publicized special collections including two free large item drop-offs (spring and fall) and holiday collections. The service donated free or reduced rate services to cleanups within the county. Also the service participated in the first annual Vehicle Career Fair at Memorial Elementary School. During the fair, solid waste employees discussed putting your trash out to be picked up on collection day and proper disposal of the trash.

RECYCLING/REDUCTION: Hart County Solid Waste celebrated Earth Day 2006 by having a Coloring Contest. The children could choose from 2 coloring sheets - Planet Earth and Recycling Raccoon. The service believes strongly that educating the children is the key to changing people's attitude toward the environment.

The Drop-off always takes free batteries, used motor oil, aluminum, metal and copper.

ANTI-LITTERING: Hart County Solid Waste always encourages participation in Commonwealth Cleanup Week and the two free large item drop-offs per year. Boy Scouts, Girl Scouts, and civic groups participate.

ANTI-DUMPING: Solid Waste is involved in dump cleanups throughout the county.

ENFORCEMENT: The coordinator responds to complaints by personally visiting offenders, telephone, letters written, and through the County Attorney's Office.

SITING: None reported.

Special Events:

2006 County Annual Report Summary**

HENDERSON
Continued

SW Coordinator Pauline Allen

Full-time

COLLECTION: An updated website details locations available to the public in Henderson County for recycling and solid waste disposal. Residents can email questions to the Coordinator for specific recycling or waste disposal needs. Solid waste information including where residents can dispose of household waste, bulky items, appliances and tires is provided on the site. Household hazardous waste disposal tips are also included which tells residents how to dispose of pair and medical sharps.

DISPOSAL: Updated, color recycling brochures outlining recycling drop-off locations in Henderson City, Corydon City and Henderson County as well as solid waste drop off locations and hours of operation. Phone numbers were include for as well as information on how to report illegal dumping, how to prepare recyclables for drop-off and what can be accepted at each location. The brochures also include private companies that accept recyclables from the public and solid waste services for county residents. Hours of operation, items accepted, phone numbers and addresses of the outlets inform residents of their options. Th SWC conducted radio programs to promote Commonwealth Cleanup Week Tire Amnesty program.

RECYCLING/REDUCTION: Free "Paper Shred Day" was held. Prizes were given away to participants including recycled landscape mulch. Over 5 tons of paper was shredded and recycled in a 5-hour period. Plastic fencing made from recycled materials was placed at Henderson County Fairgrounds placed plastic fencin made from recycled materials around the border of the Fairgrounds as a permanent example of recycled content products made from materials recycled at the Henderson County Recycling Center. Henderson County recycled its crushed glass in new road bed construction projects during 2006. Christmas tree recycling netted over 5 tons of Christmas trees. Advertising for the program in the local newspaper, on local radio and TV stations. Advertisement delivered to 13,000 households on what is recycled at the recycling center and curbside recycling and how to prepare it for recycling. Local newspaper promoted recycling program and ran weekly ads on curbside recycling and schedule of pickup. Recycling bins were placed at local park. Two farm pesticide recycling events were conducte with advertisement in local paper and on local radio. City and County schools continued recycling programs. Henderson City and County schools continued conducting an extensive school recycling program. Schools can now safely store plastics, newspaper, aluminum cans, steel cans, magazines and office paper f recycling by the Henderson County Road Department for schools outside the city limits. Schools inside the city limits were included in the Henderson Curbside Recycling Program, which is now in its fifth year of service.

Earth Day was celebrated with a free tree seedling giveaway and aluminum can recycling trailer placed at Wal-Mart in Henderson. All cans collected benefited Habitat for Humanity. Coloring books for children were distributed as well as drawings for prizes. Brochures outlining recycling and solid waste opportunities were distributed and radio advertising helped promote the event.

ANTI-LITTERING: The City of Henderson also conducted a Community Cleanup in conjunction with Operation Community Pride, which lasted for two weeks. Residents could place all bulky waste on the curb for free pickup by city sanitation workers. Trees and limbs were collected by City of Henderson sanitation crews. Radio station and local newspaper promoted the cleanup and informed residents. Street sweepers helped clean litter from city streets through out the year. Conducted river sweep - cleaned two miles. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and tl punishment for such crimes was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers. Henderson County Fiscal Court sponsored 6 Community Cleanups which were cleaned by a cooperation of the Henderson Fiscal Court, County Road Department, Henderson Detention Center Inmate Program, Tri-County Recycling and Operation Community Pride. Residents could set bulky waste on the curb for pickup by County Road Dept crews and inmates from the Henderson County Detention Center. Each household could also take four tires to the curb for pick up and recycling. These events were publicized through the local newspaper and radio in Henderson. Commonwealth Cleanup Week netted over 870 tires cleaned from roadsides. Articles and pictures appeared in the local newspaper. Road crews picked up litter along 6 miles of public roadways. The Henderson County Detention Center cleaned over 1800 miles of roadway collecting over 530 tons of trash from public properties during 2006. This program was provided year-round and helped deter littering and dumping by quickly attacking problem areas.

ANTI-DUMPING: Henderson County Fiscal Court continued to use undercover surveillance cameras in illegal dump enforcement. A website link to the Kentucky Division of Waste Management details what to do with hazardous waste. Residents can also find information on how to report illegal dumping either locally or anonymously through the state "1-888-NODUMPS" hotline. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and the punishment for such crimes was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, o littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers

ENFORCEMENT: Henderson County Fiscal Court continued to use undercover surveillance cameras in illegal dump enforcement. A trash brochure outlining th county ordinance and the state statutes regarding open burning, littering and the punishment for such crimes was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers.

SITING: Siting of landfills and other zoning issues are discussed monthly during regular Board of Zoning public meetings.

Public Education - all categories

January – Louisville Metro launched a new website www.louisvilleky.gov. Each agency is responsible for the creation and content management of their website. The Division of Solid Waste Management has received accolades about the user-friendly content and comprehensive program services. On average, the solid waste website received approximately 13,000 page views a month or over 155,000 page views for 2006. (See www.louisvilleky.gov/solidwaste)

COLLECTION: Expanded the Business Office Paper Recycling Program to include newspapers and magazines. Program tonnage increased by almost 10 tons and number of participants continues to increase. Changed hours at the Waste Reduction Center to accommodate individuals who collect junk on a regular basis. Hours are now 8:00 a.m. to 6:00 p.m. and 10:00 a.m. to 5:00 p.m.

May 15 – Mercury collection program was held at the Louisville Metro Household Hazardous Waste Disposal site. Items containing mercury were brought to the site and businesses, clinics, medical offices, veterinarians, hospitals, schools, daycares, etc. were also allowed to participate. Free digital thermometers were given to replace mercury ones.

May 23 thru May 25 – The first annual Medication Disposal Program “Drug Toss” was held at four locations throughout Louisville Metro. This was a partnership with AARP, KIPDA, TRIAD, and the Metro Police Narcotics Division. It promoted proper disposal of expired or unused medication and 289 pounds of medications were collected and destroyed. Empty containers were recycled.

DISPOSAL: March thru September – Each year, through a partnership with Louisville Metro’s Air Pollution Control District, gas-powered lawn mowers and other equipment are recycled and a rebate is provided on electric-powered equipment. The Waste Reduction Center accepts the items and provides the rebate. In 2006 8 tons were recycled.

April 23 and October 15 – Began the semi-annual free junk drop-off days which take place every spring and fall. Suburban residents who do not have regular junk collection are the primary targets but the events are open to all Metro residents. The event is held at the Waste Management Outer Loop Landfill who co-sponsors the events and any recyclable items are segregated. Tonnages for both events were 545.1 tons landfilled and 48.29 tons recycled.

November – Produced and mailed the 2007 Project Pickup quarterly junk schedules to all households in the Urban Services District (formerly the City of Louisville limits.) The USD is divided into 12 areas and the corresponding brochures are sent to the specific areas.

RECYCLING/REDUCTION: January 28 – Exhibited recycling display at the annual Boy Scout Leaders conference held at Durrett High School. Recycling education and promotion was the focus of the exhibit and a number of educational materials for the leaders to use with their troops were provided.

March 14 – Mayor’s announces expansion of electronics recycling program (CyberCycle) through a retail partnership established with Best Buy and Circuit City. Every customer who purchases merchandise at any of the five local Best Buy and Circuit City stores now receives information about how to recycle used electronic equipment such as computers, printers, VCRs and DVD players. Tonnage for 2006 was 229.72.

March 20 and October 2 – Began the semi-annual old telephone book recycling collection to coincide with the issuance of the new white pages and yellow pages. Businesses and residents were encouraged to recycle their books by placing them in special containers at two locations – one in the suburban area and one in the downtown area. Tonnage of telephone books recycled for these two events was 4.35 tons. This is a partnership with Inland Service Corporation, Kroger, Waste Management of Kentucky. Press releases, Louisville Central Area Newsletter, and e-blast to some 1,500 businesses in the downtown area.

March 24 – Louisville Metro continues to expand non-staffed recycling drop-off locations in suburban areas. This brings the number of non-staffed centers to 12 with a total of 17 recycling centers including 5 staffed locations.

April 15 – Exhibited at Earth Day at the Zoo highlighting recycling activities as well as the Louisville Metro’s Household Hazardous Waste Program (HAZBIN.) Literature ranging from service guides to composting to recycling to proper disposal of hazardous waste was provided along with a number of giveaways. Alcoa Aluminum partnered with us for Earth Day and provided staffing and promotion of our HAZBIN program. Because this was considered a community service project by their corporate headquarters, we received a \$3,000 check to be used to further recycling and proper disposal education.

April 28 – Mayor announces recycling activities brought to Kentucky Derby Festival events. This was the first year that four festival events, the Meijer Derby Festival Marathon/Mini-Marathon, the West Louisville Vendor Fair, the Slice of St. Augustine – Spice, Style and Soul, and the Ramble for the Roses allowed patrons the opportunity to recycle. Recyclables ranged from plastic water and soda bottles, aluminum cans and glass bottles.

May 6 - Louisville Metro Government (through its Solid Waste Management Department) and ARCO Aluminum partnered to bring recycling to Churchill Downs beginning with Derby 132. High School students were paid a stipend to their athletic department and Solid Waste personnel and students, collected aluminum cans and bottles in the paddock, stands and infield the morning after Derby. There was 2.57 tons of aluminum collected. After Derby Day, some 50 receptacles were permanently placed throughout the Downs for recycling at Spring and Fall meets. A dumpster was placed on site for the collection of the aluminum cans and plastic bottles by Solid Waste and is serviced our personnel as needed.

July – A program to recycle cardboard from major government complexes began with the assistance of the Metro Facilities Management Division. A 30 cy recycling container specially designed for cardboard only was donated for the City’s use by Inland Service Corporation and half of the revenue generated from the cardboard goes to Brightside (Louisville Metro’s Keep America Beautiful affiliate.) In the six month period, 6.29 tons have been diverted from the waste stream.

September 9 – Second annual free document shredding event was held at the Louisville Zoo. Residents and businesses could watch their sensitive documents being shredded and learn how to protect themselves against identity theft. Shred-It donated its services for the event and Metro Police were on hand to provide tips on how to combat identity theft. Shredded documents resulted in 28.59 tons being recycled.

September 15 – September 30 – Participated in the U.S. Conference of Mayors and Novelis Corporation Cans for Cash contest to bring awareness to aluminum can recycling. Louisville’s campaigned, dubbed “Aluminaville – Recycling for a Cleaner and Greener Louisville” won in the highest population class for best marketing and education campaign. Sponsors of the challenge were ARCO Aluminum, Riverside Recycling and Brightside. Louisville received a \$5,000 cash prize and a \$2,500 award to Brightside, our local Keep America Beautiful affiliate. This is the second year Louisville Metro has participated in the campaign and

has won the marketing and education campaign both years.

November – updated the following brochures: Louisville Metro Recycles – It's Our Nature Recycling Guidelines which highlights our recycling drop-off locations CyberCycle (e-scrap recycling) and HAZBIN which is our household hazardous waste program; Louisville Metro Recycles – It's Our Nature Curbside Recycling Guidelines which highlight our resident curbside recycling program within the Urban Services District.

November 18 – Exhibited at the Mayor's Neighborhood Summit. Over 450 neighborhood leaders attended. Solid Waste service brochures and recycling guidelines were available along with giveaways to bring awareness to the services the division provides.

November 30 – Mayor held a press conference announcing initiatives to increase recycling participation. The recycling of plastics expanded from the collection of #1 and #2 to include #3 through #7. A plastic flyer was placed in each recycling bin after servicing and given to residents who visited out staffed locations for a two-week period. Special signage was also placed on each of 15 bins at the 12 non-staffed locations. Community-wide recycling was also promoted as follows: Signage was placed on 15 recycling trucks that serve the City – approximately 300,000 Louisville Water Company customers received an insert in their water bills – private waste haulers included a tag line on their quarterly bills that encouraged residents to recycle.

December – updated Resource Directory for the Green, Inc. Business Waste Reduction Program. Directory had not been updated since 2003.

December – January – Christmas tree recycling was held at four locations throughout Louisville Metro. This resulted in 5.42 tons of mulch being produced for use by the public and Louisville Metro's Parks and Brightside.

ANTI-LITTERING: Since 1986, the City of Louisville has operated Brightside, an anti-litter/education/beautification program, which is funded primarily through private donations. In addition, both Louisville and Jefferson County governments utilized crews to clean up dumping and litter. The nearly simultaneous merger of Louisville and Jefferson County governments and the introduction of Litter Abatement Funding provided a perfect opportunity to embark on a more comprehensive and visible anti-litter campaign.

A multi-disciplinary steering committee was assembled from appropriate departments, including the secretaries of Public Works and Services and of Neighborhoods, Parks and Cultural Affairs, and directors or representatives of the Waste Management District, Solid Waste Management, Brightside, Public Works, Inspections, Permits and Licenses, Police, Environmental Affairs, and the Transit Authority of River City. The steering committee adopted a three-pronged approach for the litter campaign, focusing on education, enforcement and clean-ups.

The education component of the anti-litter campaign is intended to create a general awareness of the negative aspects of litter and to stimulate people to take action by refraining from littering, persuading others not to litter, and cleaning up litter. The "Litter Makes Us All Look Bad, Keep It Clean Louisville" awareness campaign continued in 2005, as well as a variety of activities oriented toward increasing participation in community clean-up projects, such as Green Mile and Neighborhood Blitzes.

The enforcement component focuses on promoting increased enforcement by law enforcement agencies, and an administrative hearing procedure. The process to create an administrative hearing body that will handle litter and dumping citations as well as code enforcement and other violations, was completed. In 2005, a pilot "Report-a-Litterbug" hotline was launched under which drivers for the Beeline Courier Service and employees of Metro Solid Waste can report details concerning a littering incident to Metro Call. A letter is then sent to the registered owner of the identified auto explaining the consequences and penalties for littering and enclosing an auto litterbag.

The clean-up component covers government measures to clean up roadways. Currently, Metro contracts with the state Highway Department's litter removal/mowing contractor to provide three litter clean-ups along interstate highways in Jefferson County during the non-mowing season, November through March. Metro Solid Waste also added a second full-time crew of inmates dedicated to litter removal five days a week. In addition, Metro Solid Waste crews picked up litter along suburban roads on weekends for approximately four months in 2005.

Finally, three small litter vacuums are available for use at neighborhood clean-ups, and Metro Solid Waste and Public Works crews are authorized to remove such signs from the right-of-way to reduce "pole pollution" (signs illegally posted on utility poles or otherwise in the right-of-way that eventually fall and become litter).

ANTI-DUMPING: Semi-annual free bulky waste and junk disposal is advertised in April and October with more than 800 residents taking advantage of this program. 475 tons collected in the spring and 317 tons in the fall.

ENFORCEMENT: None Reported.

SITING: None Reported.

COLLECTION: Apple Valley Sanitation prepared a slide presentation to present to elementary students, in cooperation with the Solid Waste Coordinator, that relates to various areas of solid waste. Tours of Apple Valley Sanitation are available upon request to any class or school group. The Solid Waste Coordinator published newspaper articles in cooperation with "The Paintsville Herald" relating to solid waste management. Public service announcements by WSIP (local radio) offer information about solid waste collection. The Solid Waste Coordinator contacted each elementary school in Johnson County and established an agreement to be available for classroom presentations.

DISPOSAL: Presentations offered to school children discuss various solid waste issues including disposal. Newspaper articles, public service announcements, and school presentations offer information on solid waste disposal.

RECYCLING/REDUCTION: School presentations, newspaper articles, public service announcements, and school presentations offer information on recycling and reduction.

ANTI-LITTERING: The Solid Waste Coordinator has prepared a window display with solid waste literature and automobile litter bags available to the public upon request. Newspaper articles and radio announcements also address the problem of littering.

ANTI-DUMPING: The Johnson County Fiscal Court purchased signs that state "No Dumping-Video Camera Enforced" to be placed at illegal dumps to warn the residents of Johnson County that they may be monitored. Anti-dumping is promoted in newspaper articles on the radio.

ENFORCEMENT: Newspaper articles, school visits, and public service announcements offer information on the enforcement of solid waste ordinances.

SITING: None reported.

COLLECTION: Knott County Solid Waste uses the local newspaper, radio, and Saving Appalachian Resources (SAR's) to encourage the use of the Knott County Transfer Station for bulk material disposal. Newspapers and radio are also used to promote Commonwealth Cleanup Week and PRIDE cleanup each year. Knott County also provides information for a service that picks up bulky materials from county residents who are unable to get to the transfer station.

DISPOSAL: Knott County uses the newspaper and radio to promote the free use of the transfer station to all county residents who are current on their solid waste bills.

RECYCLING/REDUCTION: The newspaper and radio were used to promote metal recycling at the Knott County Transfer Station. Saving Appalachian Resources was also used to teach and promote recycling in the school system.

ANTI-LITTERING: The Solid Waste Office uses the newspaper, radio, and SAR's to recruit volunteers for Commonwealth Cleanup, PRIDE cleanup, and to recruit non-profit groups to participate in the litter abatement program. SAR's also taught anti-littering in the schools.

ANTI-DUMPING: The radio and newspaper are used to promote the "Someone is Watching You" program, which encourages residents to report illegal dumping activities. Signs and monitoring are used in remote areas to discourage illegal dumping.

ENFORCEMENT: The radio and newspaper are used to report enforcement activities of non-compliance.

SITING: None reported.

Educational Activity:

COLLECTION: Lee County is an Eastern KY PRIDE county and has very active PRIDE environmental education clubs in the primary and middle schools. Additionally, SAR's also provides environmental education.

DISPOSAL: PRIDE and SAR's.

RECYCLING/REDUCTION: Each year the county hosts an extensive Spring Cleanup and encourages all residents to participate by disposing of their unwanted non hazardous waste. All metal is recycled.

ANTI-LITTERING: The "Trash Bash" is an annual event hosted by the County, Conservation District, and PRIDE in which local residents participate in litter collection.

ANTI-DUMPING: PRIDE and SAR's.

ENFORCEMENT: PRIDE and SAR's

SITING: None reported.

LINCOLN
Continued

COLLECTION: Set up exhibits and gave presentations to farmers at Farm Lenders Day, and to the Farm Bureau annual meeting. Spoke to Crab Orchard and Hustonville 3rd and 4th graders. Promoted the importance of increasing collection through newspaper articles and exhibits in the county.

DISPOSAL: Spoke to Farm Bureau and Farm Lenders regarding disposal issues. Setup booths at both events. Promoted the importance of proper disposal through newspaper articles and exhibits at public functions in the County.

RECYCLING/REDUCTION: Gave tours and show video on recycling to 200 students and teachers. Spoke to 85 3rd and 4th grade students and set up exhibits. Spoke to 300 Farm Bureau members and 100 farmers at the Farm Lenders Field Day on recycling pesticide containers. Promoted the importance of recycling through newspaper articles and exhibits.

ANTI-LITTERING: Spoke to Farm Bureau, Farmers, students, teachers on litter abatement solutions. 800 volunteers picked up 2,690 bags of litter on 246 miles of roadside.

ANTI-DUMPING: Spoke to Farm Bureau, Farmers, students, teachers on the problems associated with illegal dumping. The County Road Dept. cleaned several small dumps.

ENFORCEMENT: News articles highlighting the enforcement efforts of the judge executive and county attorney were published. The county hired a nuisance officer to educate the public on public nuisance and solid waste management violations.

SITING: None Reported.

Educational Activity:

COLLECTION: News articles about spring and fall cleanup to remind citizens of garbage collection services. Also discussed in classrooms.

DISPOSAL: News articles informing public to participate in our cleanups, to dispose of bulk items properly, and for free disposal during cleanups. Also to stop illegal dumping. Implemented into public school the PRIDE Educational Liaison Program.

RECYCLING/REDUCTION: Through PRIDE Educational Liaison students Preschool - 8th Grades are taught Reuse, Reduce, and Recycle. Middle School students started an Aluminum Recycling Program and viewed video "The Rotten Truth".

ANTI-LITTERING: I - Spy Program signage on Litter Abatement Truck and taught in elementary school, Family Resource Program and County Extension Services Students will be getting signatures of people who promise not to litter for one year.

ANTI-DUMPING: Posted Anti - Dumping signs and news articles to participate during our cleanups to reduce illegal dumping. Students first through sixth grades were taught about our environment and to watch the movie or read "The Lorax" by Dr. Seuss.

ENFORCEMENT: Brought before Fiscal Court to enforce a stronger ordinance. Sent out compliance letters, made phone calls. Must be on collection services to participate during the 3 weeks a year free disposal.

SITING: Ordinance 830.4 effectively outlines proper procedures, and also specifically lists the criteria for the siting of a Solid Waste Management Facility and application to be reviewed.

SW Coordinator Stephen M. Raymer Part-time

ANTI-DUMPING: Commonwealth cleanup week is our best education for illegal dumps and highway litter with many school groups, civic groups, and private citizens participating.

ENFORCEMENT: With Muhlenberg County now having a Solid Waste Enforcement Officer, citations and word of mouth is getting the public aware they are being watched.

SITING: None reported.

Full-time

Boone, Campbell, and Kenton Counties - cont'd

Mar - Doe Run Lake Cleanup and Nestbox Installation (approximately 150 participants).
Mar - Northern Kentucky Bluebird Trail Monitors meeting (12 participants).
Mar - Bluebird Nestbox Building Workshop (9 participants).

Apr - Great American Cleanup – Helped coordinate planting of over 300 tree seedlings in Riparian Buffer at Middleton-Mills Park (25 participants).

May-Aug. - Wild Wednesdays! - Kentucky Recreation & Park Society Outstanding Program Award Winner 2005 - free 17-week program about Nature and our natural world (At least 5,239 people attended Wild Wednesdays programs between the first Wednesday in May and the last Wednesday in August).

May - Geocaching with OKI Cachers (12 participants).
May – Northern Kentucky Senior Games Fishing Derby (11 participants).

Jun - Kids All-American Fishing Derby (Approximately 400 people participated).

Aug, Sep, Oct – Star Gaze 1, 2, and 3 with Cincinnati Observatory Center (Approximately 85 participants attended each one, so approximately 255 people).

Sep – Co-presented Pond Management and Fish Attractors Workshop with Kenton County Cooperative Extension Service (15 participants).
Sep - C.R.I.K. Sweep - Creek Restoration in Kentucky (approximately 300 participants).
Sep – Hosted Land Management Workshop, presented by Kenton County Conservation District (24 participants).
Sep - Great Outdoor Weekend – 2 events, Geocaching and Doe Run Nature Trail Hike (14 for Geocaching and 23 for Doe Run Nature Trail Hike).

Oct – Coordinated and facilitated Bridge-Building Day at Doe Run Lake Nature Trail.

'06 Continued Urban Fishing Program with KY Dept. of Fish & Wildlife Resources at Middleton-Mills Park (Received 6 fish stockings in February, May, June, July, August, and November. (It is unclear how many people fished in the Shelterhouse Pond at MM park)

'06 Continued work with KY Dept. of Fish & Wildlife Resources to determine best ideal fish populations and control/eradicate unwanted species in Shelterhouse Pond and Long Pond at MMP and also at Doe Run Lake

'06 Continued Riparian Buffer demonstration work at Middleton-Mills Park with KY Div. Of Conservation and Kenton County Conservation District

'06 Continued to participate in monthly meetings, and began work of implementing Recreation Trail Fund Grant for Doe Run Nature Trail project

Educational Activity:

COLLECTION: Hauling companies are requested to advertise their services.

DISPOSAL: Central KY landfill, Haulers and government agencies encourage the public to properly dispose of their waste. Free disposal day on first Saturday of the month is advertised

RECYCLING/REDUCTION: Scott county and city school systems and government agencies encourage recycling through school curriculum, newspaper ads, and presentations.

ANTI-LITTERING: Jail crews are out picking up litter and their visibility is a deterrent to littering.

ANTI-DUMPING: Cost share programs and free dumping days are preventive measures taken by the county.

ENFORCEMENT: Newspaper and radio ads remind the public that discarding litter and illegal dumping are crimes with consequences.

SITING: Planning and Zoning meetings typically get newspaper coverage and this helps to educate the general public on this issue.

Educational Activity:

COLLECTION: Waste Management and Monarch Environmental advertise for the County, City and businesses. The County and Waste Management advertise for the Convenience Center.

DISPOSAL: Visit local schools and educate students how to properly dispose of trash and how to report violators.

RECYCLING/REDUCTION: County incorporates the recycling of all aluminum cans collected in connection with the litter abatement program.

ANTI-LITTERING: Help and educate the public through local radio and newspaper. Wal-Mart sponsored an educational event this year where the Solid Waste Department was able to educate school children grades K-8, with an environmental magic Show assembly.

ANTI-DUMPING: Help and educate the public through local radio and newspaper.

ENFORCEMENT Routine patrol of highways.

SITING: Notices are given to violators until it is cleaned up. If violators do not comply, a citation is written.

Special Events:

2006 County Annual Report Summary**

UNION
Continued

SW Coordinator Pauline Allen

Full-time

COLLECTION: An updated website www.tricountyrecycling.com details all locations available to the public in Union County for recycling and solid waste disposal. Residents can log on to find out what is accepted for recycling and how to prepare recyclables for drop-off. Solid waste information where residents can dispose of household waste and bulky items was provided in the brochures. Household hazardous waste disposal tips are also included. All recycling and solid waste services are provided at no charge to county residents.

DISPOSAL: Newly updated, color recycling brochures outlining recycling drop-off locations as well as solid waste drop off locations and hours of operation, phone numbers where residents may call with questions, and information on how to report illegal dumping, how to prepare recyclables for drop-off and what can be accepted at each location. The brochures also include private companies that accept recyclables from the public and solid waste services for county residents. Hours of operation, items accepted, phone numbers and addresses of the outlets inform residents of their options. These brochures were distributed throughout the schools and in the community. An updated website www.tricountyrecycling.com details all locations available to the public for recycling and solid waste disposal.

RECYCLING/REDUCTION: During the year 2006, Union City and County schools continued conducting recycling programs. Each school was provided a large, outdoor school recycling container donated by the Tri-County Recycling Alliance and the National Association of Plastic Container Recycling. "Freecycling" is available to help create an online waste exchange for residents. Event was advertised in the local newspaper and residents were encouraged to sign up online. Free "Paper Shred Day" was held in conjunction with Arbor Day at the Union County Senior Citizens' Center. Residents were allowed to bring in 100 lbs of sensitive documents to be shredded by a mobile shredding company. Union County Road Dept personnel collected recyclables from county schools. Two new drop-off recycling centers were added, one in Sturgis and one in Uniontown. The Union County Recycling Center continued collecting office paper/junk mail, magazines, steel food cans, aluminum cans, glass bottles, #1 plastics, scrap steel, newspaper, cardboard and paperboard and used motor oil at its location on Airline Road in Morganfield. The farm pesticide recycling program netted less than 1 ton of recycled materials. Aluminum cans were collected by the Union County Habitat for Humanity drop-off locations. Habitat collected nearly \$30,000 worth of cans to help pay for new homes for low income residents. Tons of glass was recycled and was dropped off at the Union County Recycling Facility where it was crushed and used in the nationally acclaimed glass backfill for culverts construction projects.

ANTI-LITTERING: An updated website www.tricountyrecycling.com details all locations available to the public for recycling and solid waste disposal. A website link to the Kentucky Division of Waste Management details what to do with hazardous waste. Recycling and Solid Waste Coordinator also conducted several radio and television interviews to explain to residents why illegal dumping and littering harms the environment and what additional enforcement Union County was going to take to prevent illegal dumping and littering. Union County Fiscal Court and Road Department conducted windshield surveys and collected all tires located on state and county right-of-way, covering over 300 miles of state and county roads. The City of Uniontown also conducted a community cleanup in the Spring. Residents could place bulky waste on the curb for free pickup by city sanitation workers. Trees and limbs were collected by City of Uniontown sanitation crew. Uniontown also did a Fall cleanup in their public park areas. The City of Morganfield conducted two Community Cleanups which allowed residents to place all bulky waste on the curb for free pickup by city sanitation workers. Trees and limbs were collected by City of Morganfield sanitation crew. The City of Sturgis also conducted two Community Cleanups which allowed residents to place all bulky waste, scrap metal, tires and debris on the curb for free pickup by city sanitation workers. Trees and limbs were collected by City of Sturgis sanitation crew and Midwest Waste. Street sweepers helped clean litter from city streets throughout the year. Whispering Meadows Fire Department distributed brochures to the residents of the subdivision in order to help curb illegal dumping, littering and burning of waste. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and the punishment for such crimes was also delivered to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The Union County River Sweep was conducted and volunteers cleaned the boat ramp area in Uniontown, Caseyville and the Blackburn ramp area near the Kentucky side of the Shawneetown Bridge.

ANTI-DUMPING: An updated website www.tricountyrecycling.com details all locations available to the public in Union County for recycling and solid waste disposal. A website link to the Kentucky Division of Waste Management details what to do with hazardous waste. All recycling and solid waste services are provided at no charge to county residents. Tri-County Recycling Alliance coordinator conducted several radio programs to promote the Commonwealth Cleanup Week Tire Amnesty program where residents could register their dumps with the county and receive free disposal of illegally dumped tires. Presentations were also conducted in the schools to educate students and staff of their recycling and solid waste options in Union County. Recycling and Solid Waste Coordinator also conducted several radio and television interviews to explain to residents why illegal dumping and littering harms the environment and what additional enforcement Union County was going to take to prevent illegal dumping and littering. Articles appeared in the Union County Advocate and Sturgis News, which informed residents of the recycling program. The newspapers also covered recycling and solid waste issues as presented to the Union County Fiscal Court. New solid waste regulations were passed by the Fiscal Court and numerous articles kept the public updated on the ordinance changes. Union County Fiscal Court and Road Department conducted windshield surveys and collected all tires located on state and county right-of-way, covering over 300 miles of state and county roads. Commonwealth Cleanup Week was advertised in the local papers and residents participated by being encouraged to clean up all old and illegal dumps on their properties and to bring illegally dumped tires to the Union County Road Department for free disposal. Over 12,000 tires were recycled during 2006.

ENFORCEMENT: Open Burning regulations were publicized in the Union County Advocate and Sturgis News which informed residents of what was allowed to be burned and what wasn't allowed. Union County Attorney Brucie Moore and Union County Fiscal Court strengthened solid waste penalties and ordinances to help enforcement of illegal dumping and littering.

SITING: Requirements for siting a landfill in Union County were modified in the newly adopted Solid waste ordinances.

programs, e.g. Dumpster Dive at Bowling Green High School for Earth week, Commonwealth Cleanup Week.

ANTI-LITTERING: Proper disposal of waste products are addressed in all educational projects. The public is advised of the cost of removing litter (\$108+per mile) and illegal dumps and of consequences of improper waste disposal. Used news media to inform people of KRS 512.070 Criminal Littering.

ANTI-DUMPING: Worked with Code Enforcement Boards, law enforcement agencies and the Warren County Attorney's Office to issue warnings, notices and citations. Promoting the 1-888-NO-DUMPS, Crime Stoppers: 781-CLUE and local numbers to report dumps.

ENFORCEMENT: Proper disposal of waste products is addressed in all educational projects. Utilizing City of Bowling Green summer Stroll programs to educate neighborhoods as needed.

SITING: City-County Planning Commission requires Conditional Use Permits and sometimes rezoning for waste facilities, and provides informational literature on these requirements and rules. Using Office of Storm water management to assist in communicating these messages.

COLLECTION: Fiscal Court has added one full time person who takes inmates and collects white goods greatly reducing roadside dumping.

DISPOSAL: All talks being given to public stress the use of legal disposal of household trash in community and dangers of illegal burning.

RECYCLING/REDUCTION: T&B Recycling is paid a monthly fee to allow residents to drop off white goods at no cost. This has encouraged residents to drop ther instead of roadsides.

ANTI-LITTERING: Educating the upcoming generations on the destructive affects of litter, along with use of persons who have been caught littering to clean not only their mess but also several miles along public roadways.

ANTI-DUMPING: We now have more community involvement in reporting dumping activity due to the published reports on cost to the county and state to clean up these sites.

ENFORCEMENT: Fiscal Court is planning on allowing Solid Waste Coordinator expanded power to site violators and push for more prosecution.

SITING: None Reported.

COLLECTION: New color brochures outlined recycling drop-off locations in Webster County as well as solid waste drop off locations and hours of operation. Phone numbers were included for questions, information on how to report illegal dumping, how to prepare recyclables for drop-off and what can be accepted at each location. The brochures also include private companies that accept recyclables from the public and solid waste services for county residents. Brochures were distributed throughout the schools and in the community. An updated website www.tricountyrecycling.com details all locations available to the public for recycling and solid waste disposal. Solid waste information on household waste, bulky items and tires was provided in the brochures. Household hazardous waste disposal tips are included.

Free Paper Shredding

RECYCLING/REDUCTION: Webster City and County schools continued the extensive school recycling program. Schools can now safely store plastics, newspaper, aluminum cans, steel cans, magazines and office paper for recycling by the Webster County Road Department. Webster County Toad Department began a new, aggressive cardboard recycling project. The program provided cardboard recycling boxes to businesses and the cardboard baled and trucked directly to the Weyerhaeuser Mill in Henderson. The newspapers covered recycling and solid waste issues as presented to the Webster County Fiscal Court. The farm pesticide recycling program was conducted during two drop-off days. Newspaper articles and newsletter informed farmers of the free program. Over 9 tons of glass was recycled during 2006 and was transported to the Henderson Recycling Facility where it was crushed and used in the nationally acclaimed glass roadbed construction project. A free "Paper Shred Day" was held at the Webster County Courthouse. Residents were allowed to bring in 100 lbs amount of sensitive documents to be shredded by a mobile shredding company. Free tree seedlings were given away. Recycling and convenience center location and hours were publicized through the local newspapers.

ANTI-LITTERING: The City of Sebree conducted a Community Cleanup in conjunction with Webster County Road Department. Residents could place bulky waste on the curb for free pickup by city sanitation workers. Trees and limbs were collected by City of Sebree sanitation crew. Street sweepers helped clean litter from city streets through out the year. Tri-County Recycling Alliance coordinator conducted several radio programs to promote the Commonwealth Cleanup Week Tire Amnesty program where residents could register their dumps with the county and receive free disposal of illegally dumped tires. Presentations were conducted in the schools to educate students and staff of their recycling and solid waste options in Webster County. Litter cleanup events, organized by the City of Providence were conducted twice in 2006. Webster County Fiscal Court and Road Department conducted windshield surveys during Commonwealth Cleanup Week and collected all tires located on state and county right-of-way, covering over 500 miles of state and county roads. Volunteers registered for cleanup activities at the Webster County Road Department. Over 12,000 passenger tires were collected during the year.

ANTI-DUMPING: An updated website www.tricountyrecycling.com details all locations available to the public in Webster County for recycling and solid waste disposal. Residents can find information on how to report illegal dumping either locally or anonymously through the state "1-888-NODUMPS" hotline. All recycling and solid waste services are provided at no charge to county residents. Recycling and Solid Waste Coordinator conducted several radio and television interviews to explain illegal dumping harms the environment and what additional enforcement Webster County was going to take to prevent illegal dumping.

ENFORCEMENT: An updated website www.tricountyrecycling.com details all locations available to the public in Webster County for recycling and solid waste disposal. All recycling and solid waste services are provided at no charge to county residents. Brochures from Division of Air Quality were distributed to individuals caught illegally dumping or burning waste. Articles appeared in the local newspapers which covers Webster County concerning the no-burn ordinances and State regulations concerning burning.

WOODFORD
Continued

SW Coordinator Wade Johnson Full-time

ANTI-LITTERING: County and City governments promote and participate in roadside cleanups. Events are promoted through radio PSAs and articles in the Woodford Sun. The WCRC promotes the importance of a clean community.

ANTI-DUMPING: The WCRC / transfer station accepts most materials removed from open dumps free of charge. Woodford Sun articles and radio PSAs encourage citizens to report illegal dumping and to participate in volunteer cleanup events.

ENFORCEMENT: The WCRC sends out 14 day compliance letters to property owners violating county solid waste ordinances. Most recipients correct the problem voluntarily.

SITING: None Reported.
